follow the letters and begin to play even if you don't know musical notes you will confidently be able to play easily using the letter notation this book might include only letters and it will be enough to begin to play but i decided to add classic note symbols to help teach them and show musical notation all songs were adapted especially for the kalimba which is a diatonic musical instrument and has no flat keys most songs will be played within one octave attention songs have been transposed for a diatonic range some melodies might be changed and simplified if you have flat keys on your instrument please use the classic music score for piano part 1 skip skip skip to my lou humpty dumpty my hat i like to eat apples and bananas cobbler mend my shoe lost my gold ring this old man baby bumble bee the bear went over the mountain cherry blossom ring around the rosie rain rain go away a ram sam sam little jack horner it's raining au clair de la lune debka hora my bonnie house of the rising sun part 2 baa baa black sheep twinkle twinkle little star alphabet song

this book is for kids or adults who are absolute beginners in music we tried to write it as simply as possible that is why we use an easy to play visual aid so any beginner can play music quickly neither kids nor their parents have to read sheet music or have a musical background no previous knowledge is necessary none at all every song has a large and simple color and letter coded visual along with traditional sheet music the instruction is designed so that children begin with simple circles and gradually advance to reading notes using sheet music we try to make this transition as easy as a game where children advance to higher levels themselves there are totally 22 songs and 3 options to help children to begin to play right away playing by color circle play by letter play with the musical staff the player can first follow the circles and then repeat with the classic note symbols and staff the helpful letters are always above the notes there are 3 parts in this book they are equal to 3 levels level 1 songs that are played in one octave all songs here appear twice once written with circles and the next time with classic music notes this will help kids remember the staff notes for example mary had a

little lamb ver 1 circles mary had a little lamb ver 1 notes level 2 in this part you will find one version with both circles and notes and a more advanced version of the song with notes and musical notation for example hot cross buns ver 1 circles hot cross buns ver 1 notes hot cross buns ver 2 notes here the player will play songs in a different key and learn to transpose generally the version of the song written with sheet music is a little bit more complex than a letter coded version such versions already have music notation such as rests or beams etc you can find an illustrated explanation of the notation at the end of this book level 3 here the first two songs are versions of the same melody different combinations of notes written with circles and notes this is important so that the beginner can see how the same melody can be played in different keys first of all this book is addressed to newcomers to any keyboard instrument such as piano or synthesizer we offer 22 one hand piano songs also it is a perfect self training guide for children and beginner adults to mastering the challenges of percussion instruments such as kalimba marimba xylophone glockenspiel or even color bell set
